

GENERAL INFO

Linder Global Enterprises is a dynamic organization dedicated to creating impactful experiences through a multi-faceted approach to events, consulting, and curriculum development. Built on a foundation of innovation and strategic partnerships, Linder Global Enterprises is committed to delivering tailored solutions that meet the unique needs of our clients across various industries. Through our specialized business lines—including Linder Global Events, Linder Consulting, and Linder Live—we deliver a comprehensive suite of services that spans event planning, execution, and strategic consultation. Our approach emphasizes meaningful engagement, client-centered experiences, and a dedication to excellence, making us a trusted partner in helping organizations realize their goals and amplify their impact in a competitive landscape.

REBECCA LINDER

FOUNDER + CHIEF VISIONARY OFFICER

Rebecca, a leader, entrepreneur, and innovator, stands as a beacon of inspiration not only in the global event industry but across the broader landscape of consulting, leadership, and entrepreneurship. With over thirty years of visionary leadership, her passion for strategic convening, cutting-edge design, and seamless production has propelled her to the forefront of the field and beyond.

At the helm of Linder Global Enterprises—which encompasses Linder Global Events, Linder Consulting, and Linder Live with more to come—Rebecca leads with a focus on creating experiences that transcend traditional boundaries. Through strategic event planning, in-depth consulting, and live activations, Linder Global Enterprises shapes experiences that drive meaningful engagement and lasting impact.

Rebecca's work is grounded in a belief that purposeful connections are transformative, whether in the context of professional gatherings or as part of her commitment to women's entrepreneurship and leadership. A respected coach, speaker, educator, and advocate, Rebecca is a champion for change in the realms of women's empowerment and entrepreneurial innovation, always striving to pave new paths for leaders across industries.

With an emphasis on human-centered design, adult learning theory, and neuroscience, Rebecca has led Linder to craft immersive experiences that meet the evolving needs of clients and stakeholders in a post-COVID world. From virtual convenings that seamlessly bridge distances to in-person gatherings that prioritize engagement and connection, Rebecca is redefining what it means to gather with purpose. Through her leadership, Linder Global Enterprises signals a commitment to both innovation and meaningful impact, setting a new standard for what's possible in events and beyond.
